Re: Gay Alliance of Genesee Valley v. City of Rochester

Dear Judith:

As we discussed, I have spoken with Art Eisenberg about the drafting of an amicus brief for submission in the appeal of this case. We have decided that I will work with one of our summer interns to create a first draft and then Art and I will finalize the brief. We are still working under the assumption that the brief will be due sometime in September. If this schedule changes, please let me know as soon as possible.

If you have any questions or preliminary suggestions about the brief, please let me know. Otherwise, we will simply send you the first draft once it has been completed.

Sincerely,

Ruth E. Harlow
